Commissioner for Patents

Sir:

This response regards the communication dated April 26, 2004, denying our second request to correct the filing receipt. The Office denied our request alleging that the claim for priority is based on an application filed after the application making the claim. We respectfully point out that all of the filings to which the present application claims priority were filed in either 1998 or 1999, prior to June 20, 2000, filing date of the present application. Attached is a copy of the official Filing Receipt received from the Patent and Trademark Office in the above-noted application for which issuance of a further corrected filing receipt is respectfully requested. Corrections have been noted in red ink.

There is an error on the official Filing Receipt received from the Patent and Trademark Office in the above-noted application for which issuance of a further corrected filing receipt is respectfully requested. Priority information is missing from the "Domestic Priority data as claimed by applicant" section. This section, in its entirety, should read as follows:

This application is a CIP of 09/287,849 04/07/1999  
which is a CIP of 09/223,040 12/30/1998  
which is a CIP of 09/056,556 04/07/1998  
and claims benefit of 60/158,338 10/07/1999  
and claims benefit of 60/158,425 10/07/1999

The correction is not due to any error by applicant and it is believed no fee is due.  
Please charge any additional fees or credit overpayment to Deposit Account No. 20-1430.

Respectfully submitted,

A handwritten signature in cursive script, reading "Annette S. Parent".
